

# 4 A

**KEN ANDERSON**, an enthusiastic skier, enjoys the facilities at White Track. While at Central Ken enjoyed learning Basketball Basics in Phys. Ed. Ken hopes to attend University of — who knows.

**DEBRA BELSEY'S** favorite teacher has been Mr. Wallace because he let her "play" in the Chem lab. Her pastimes include flirting with George the janitor and burning her fingers with Sulphuric Acid. She plans to be a Physics major but will probably end up as the first A & W car hop on the moon.

**FRANCES BUSH** enjoys playing interhouse sports as well as playing on Central's senior volleyball team. Her favorite teacher is Mr. Wallace because he could help with any problems, no matter how hard they were. She enjoys playing tennis, curling and badminton. Nursing is Frances' ambition.

**LAWRENCE CHOW**, an all round friendly guy, enjoyed meeting lots of people and one cat while at Central. He feels a student lounge would improve Central tremendously. He plans on attending the U. of Edmonton but will probably end up owning Household Finance.

**ROSS HOUSEMAN'S** most memorable incident at Central was Mrs. McIvor and his favorite pastimes are no-no's. He plans to go to U. of S. next year and get a start in dentistry.

**GLEN LAWSON'S** favorite pastime is school and he liked all of his teachers and is also a bit crazy. He feels in sixty years anything could happen at Central but will not because suggestions are usually ignored. His destination is undecided but he will probably end up an unpaid messenger boy for Central's staff.

**ROSS MacDONALD** enjoys talking to girls, volleyball practises at 7:00 a.m., skiing, and all interhouse sports. A memorable incident for him was helping to write and produce the Delta Lit. Next year he plans to take pre-med at the U. of S.

**PAM McWILLIAMS** enjoyed the Provincial Curling Championship. During high school she enjoyed curling practises, lits, and dances. Her favorite pastimes include playing in the band, participating in interhouse sports and skating. She plans to attend university to take Interior Design.

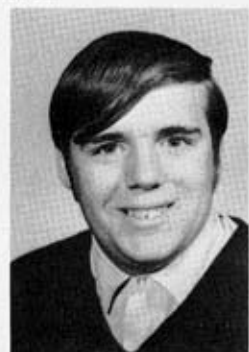

**GLENN MOORE** enjoyed Lits, dances, football games and Chem experiments during high school. His favorite teacher has been Mr. B. Clarke because of his originality. His favorite pastimes include sports, motorcycles and attending the drags in Saskatoon. He plans to attend the U. of S. to take an engineering course.

**JANET CRIMP'S** favorite pastime is curling and she excels in it. She enjoyed her friends and social activities most while at Central. She plans to attend the U. of S. but will probably end up as Central's first female janitor because of her sweeping ability.

**JACK FLYNN** enjoyed Mr. B. Clarke's classes because they reminded him of a "Laugh-in", the holidays and playing "Rat Patrol". He thinks Central could be improved by turning it into an orphanage for stray cats. Jack is noted for his high marks and his fantastic "Jeep". He plans to attend U. of S. to take engineering.

**JERRY GILBERTSON** has acquired recognition; especially in the library, eh J.G.? He likes Mr. Wingert since that name is easier to pronounce than Flatekval. Plans for next year include Business Administration at STI.

**CATHY GREEN'S** pastimes include reading, playing the guitar, and the theatre. She enjoyed causing catastrophes in the Chem lab and improvising "Hamlet". Next year she plans to audition for the National Theatre School but she probably will end up sewing costumes for the Royal Winnipeg Ballet.

**SHELLY HACK** is known for her great gymnastic ability. She was this year's Publicity Director and did a great job. She plans to go to the Foot-hills Hospital in Calgary and go into the nursing profession, but she will probably end up a nurse's aid at the Union Hospital in Moose Jaw.

**CHARLENE NEWBERRY** enjoyed Central a lot, especially Freshie Day this year, when she finally had someone to pick on. She enjoys tennis and being a spectator of all sports. She hopes to go to U. of S. to take education.

**DAVE PHILLIPS**, Central's president this year, feels his favorite teachers were the girls. He plans to take commerce and law or whatever else he can get at Saskatoon. His favorite pastime is helping Mr. Reesor in his times of need.

**KATHRYN RUNDBERG** felt high school as a whole was memorable. She enjoys sewing and good shows. She plans to attend U. of S., majoring in math.

**BOB SCHULTZ** enjoyed having Mr. Currie for a teacher because he used instruments like modern music to teach. His favorite pastime is taking pictures of beautiful girls. Next year Bob plans to attend Ryerson polytechnical institute in Toronto and take a photographic arts course.

**JOHANNE STEPHENSON** liked Mr. Wallace as a teacher even though he was unreasonable sometimes. She likes to meet people and would like to get a job but it has to be someplace west of here.

**BETTY HAGAN** thinks being sports co-ordinator on the SRC is great but she will not forget the time she dropped her purse into the toilet, accidentally! Betty thinks there will be robots learning from computers at CCI sixty years from now! She plans to take Phys. Ed. at U. of S.

**MURRAY HALES** enjoyed Mr. Currie's Lit classes because of his special knack to keep them lively. His pastimes include fooling around before classes, going to football games, curling, and golfing. Murray would like to see Central have more Lits and dances to make the year go faster. Next year he plans to attend the U. of S.

**BOB HARRIS** enjoyed participating in sports very much. Football is his favorite. He plans to be an engineer when and if he gets out of U. of S. although he plans to be a millionaire before he is through. We hope he is successful in his career.

**GLEN HILLSON'S** favourite pastimes include grooving at the Country Club and walking into the girls' washroom by mistake. This year Glen was skip of the Boys' Brier Team as well as constantly flirting with the girls. He plans to attend the U. of S. but he will probably end up a Rink Rat.

**ROSS HINTHER** enjoys activities outside of school such as hunting. He plans to attend U. of S. in Saskatoon. Ross thinks that sixty years from now Central will have wall-to-wall pictures!

**PADDY THOMPSON** enjoys sports of all kinds. His favorite teacher was Mr. Currie because he added life to the lit classes. He wants to attend U. of S. as a new member on its neuro-surgical team.

**LEAH WEST** is noted for wearing the only green gym suit at Central. Her favorite teacher was Mr. P. Norgs because he made school fun. Her favorite pastimes include music, sports, T.V. and walking to school. Leah would like to see traffic lights installed on the stairs. Next year she plans to enter nursing.

**ELAINE WHITE** enjoys being late and not getting detention for it. She admires Mr. Currie for giving her class a Christmas surprise. She plans on working and then going to university in the distant future.

**DON WILFONG** plans to attend university but will probably end up a ski bum or a husband. His favorite teacher is Mr. Hill because he is the greatest. He enjoys sports and a certain girl.

**DELLAS ZARETSKY** enjoyed getting up in the morning for those seven o'clock Lit practices. He also liked being in Mrs. McIvor's classes and thinks that Central could use a few more teachers resembling her. Dellas' favorite teacher was Mr. Currie because of his ability to reach the students. Next year Dellas hopes to attend the U. of S.

# 4 B

**NICOLE BARBER'S** favorite teacher has been Mrs. Middleton because of her teaching ability and because she has the patience of an angel. Nicki's pastimes include sleeping and being plain lazy. She plans to finish her grade twelve in night school but she will probably be a truck driver for the Jolly Green Giant.

**DIANE CALDWELL'S** favorite teacher at Central was Mr. Thiessen because he gave very little homework. She plans on attending university and becoming a teacher. Diane thinks that sixty years from now Central will be a walk-in computer.

**DALE CLARKE** enjoyed watching Olin A. getting smacked around by Mr. Robinson for a fight he started. He enjoyed Mr. Houseman's classes because he never taught the subject he was supposed to. Dale plans to go to U. of S., Saskatoon or at the worst get away from Moose Jaw.

**RUTH COLVEN** remembers the day in grade ten French when Mrs. Flatekval asked her what the weather was like and she answered that she did not have a watch. Her pastimes include watching hockey and shows. Next year she plans to attend Medical Assistant studies in Calgary.

**KEVIN MCEACHERN**, an avid hotrodder, enjoys playing guitar and bugging girls. While at Central he managed to blow his engine in our parking lot. After school he plans to work at Kitimat, B.C.

**BARB MARTIN** enjoyed the interhouse sports, football games, and the thought of graduating while at Central. She plans to go to U. of S. to take education. Barb feels Central could use better and younger teachers.

**JOAN MILLER** enjoyed going to Saskatoon to watch the Cyclones play when she was in grade ten. While attending C.C.I., Joan got to know many people. She thinks Mr. Knuttila is the only teacher who gives students credit for having some intelligence. Next year she plans to attend university.

**HOWARD PETERMAN** plans to be a world traveller and he feels Central would be improved if he left. He enjoyed holidays and Mr. Currie's humorous periods. You would think he could graduate after sixty years.

**DEBBIE PRICE** says her most memorable incident in Central was her grade ten Geography class in Mr. B. Clarke's room. She enjoys reading, sewing and horseback riding. Debbie plans to study Interior Decorating at University of Manitoba but she thinks she will probably end up being an old maid housekeeper.

**DAVID GLASSMAN** enjoyed producing the Delta Lit, playing for the Cyclones and seeing his friend at the Cascade. His favorite teacher has been Mr. Knuttila because he talks to the students not at them. He would like to see a student lounge installed in the school. Next year he plans to attend U. of S.

**CAROL GREENAWAY** enjoyed attending the Model U.N. when in grade eleven. Favorite pastimes include writing songs, practising yoga and playing the guitar. Carol plans to attend university and achieve her master's in social work.

**BRUCE HARROWER** remembers the time he slipped going in the showers and someone decided to throw him in. He enjoys volleyball, basketball, floor hockey, badminton, baseball. After high school he plans on joining the R.C.M.P.

**ANN HORTON** liked Mrs. Stewart because she was a great teacher. She enjoys all interhouse games and early morning runs to school. Ann plans to make plans for the year after this one.

**DONNA HOWES** liked Mr. Warkentin because he is a "happy, nifty guy". Her favorite pastimes include motoring and listening to good music. Donna will be back at C.C.I. next year but in the future she will be a fur-trapper on Normandy Drive.

**BRUCE PROBERT** says his most memorable incident was directing and producing the Delta Lit. Bruce enjoys playing football (especially for the Cyclones) and skiing. He plans to attend university in Saskatoon but will probably end up being a permanent resident in Banff.

**GORD PUTZ** will forever remember the day he ripped the back out of his pants in French. Gord enjoys hanging around, driving around and playing volleyball. Gord will probably end up as a Sanitation Engineer at the Air Base.

**ROBIN REES** has an admiration for teachers who never lose arguments and enjoys watching a certain someone dominate Central. He plans to attend university, probably his own at Ketepwa Beach.

**RITA ROGERS** enjoys meeting new people, sewing, reading, sports and drawing. She plans on attending university and taking a Home Economics course.

**BRUCE ROWAN** enjoys Mr. Wallace's classes, money, people, and cars. He thinks Central could be improved a great deal if they tore out the radiators. Bruce plans to go to university but he will probably end up owning a peanut factory.

**LINDA KING** enjoys her wild weekends and holidays. When Linda finishes grade twelve she plans to take a Data Processing course but she will probably end up a permanent resident in Central.

**KAREN JENSEN** is very talented and takes part in all the Lits. Her favorite teacher is Mrs. Stewart because of her pleasing personality and fairness. Karen is planning to go to university and take a music course.

**SANDRA KNUTTILA** will never forget the day she cut her hand in the Biology lab and had to get stitches in it and play for a wedding the next day! Her favorite teacher is Mr. Knuttila — could that just be a coincidence! Sandra plans to attend university in Saskatoon.

**LINDA LETHBRIDGE**, an avid Mr. D. Kerr fan, enjoys watching the fish in the aquarium during Biology. She feels Central could be improved by tearing it down and starting over. Linda hopes to take Phys. Ed. at university.

**GERRY McDONNELL** remembers the time Mr. Wallace came to school with a black eye. He enjoyed Mr. Currie, interhouse sports, five minute breaks, and Mr. Wooff's sleep-ins. If he makes it through high school he will try and get into a university, if one will accept him.

**BOB ROWE**, while at Central, enjoyed the holidays most of all. He passes his time pumping gas and going out to park. Bob plans on attending S.T.I. for Data Processing after high school.

**PENNY SABASCH** enjoyed all school activities and also being a master on Freshie Day. Her favorite teacher is Mr. Currie because he teaches in a modern way. Penny just enjoys going out and having fun. Her plans for next year are to go to university for an education course (after she gets married).

**JUDY STOKES** will have a hard time forgetting the time she forgot to button her gym suit before walking into a mixed Phys. Ed. class. Favorite pastimes include skiing, tennis and curling. Next year she plans to take education at U. of S.

# 4 C

**BRYAN ADAMS** enjoys seeing Mrs. Stewart's "sexy" smile. During high school Bryan liked the competition found in sports and meeting new people. He likes "all nighters" and will probably end up with "great wealth and lots of love".

**BARB BEATTIE'S** favorite teacher is Mr. Wallace because she is finally learning Chemistry. She enjoyed all the friends she met in Central in the past years. She is planning to be a nurse.

**JOHN BUTLER** found the protest last year a lot of fun and would like to have more of them. He enjoys interhouse sports and standing in the halls watching the pretty sights. John hopes to attend U. of S.

**SHARON COOK** has a great time going out with certain guys. Plans for her future are undecided but she claims that C.C.I. will be the same in the next sixty years as it has been for the past sixty years.

**BEV DODD** recalls her most memorable incident to be walking into the boys' bathroom by mistake. She enjoys interhouse sports, Lits, swimming, skiing and sewing. Next year she plans to enter the school of nursing, Foothills Hospital, Calgary, but will most likely be White Track's ski bum.

**JOANN FINLAYSON** liked Mrs. McIvor best of all the teachers. She enjoys cheer-leading, tennis, and basketball tournaments. Joanne plans to work a year then attend university in Toronto and take a fashion course of some kind.

**MARILYN POWIS** enjoys Mr. Currie's classes and the spirit displayed at football games and other school get-togethers. She enjoys doing things with a gang of kids. Next year Marilyn will be taking an I.B.M. course.

**TRUDY REES** really enjoyed those football and basketball games and especially being in the same Phys. Ed. class with Donna G. She also enjoyed Mr. Currie's and Mrs. Stewart's classes, and feels there should be more teachers like them and less of the others. In sixty years she thinks Central will probably be a Kindergarten School.

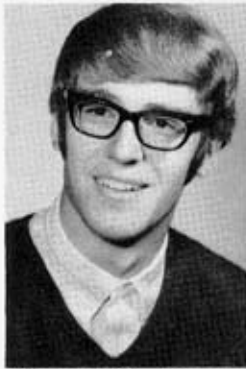

**TERRY SARGEANT** (Sarge) was most memorable incident was being chosen Mr. Freshie. Since then he has always found great delight in watching the new crops each year. He enjoys sports and girls but no one knows in what order.

**MARG SNELL** is one of our industrious library aides who enjoys working on her many hobbies. She plans to attend university and become a librarian. She sees C.C.I., sixty years from now, modern with modern people.

**DARREL SJOBERG** remains mysterious since he answered our questions for this write-up with four-lettered words — NONE. However, we wish him success in whatever field he decides to enter.

**PETER GARRATT** likes skiing and sheing (girls). He thought Mr. Hill was a great guy. The best part of school is spares, weekends, and holidays. He wants to make lots of money when he gets out of school.

**DONNA GREENLAY** put a little excitement in volleyball by catching her gym suit button on the net when spiking the ball. Our Clarion editor enjoys basketball and football games, swimming, daydreaming, talking and Mrs. McIvor's classes. She intends to take education but will probably take over the management of soft drink machines.

**ILONKA HALSBAND'S** best talent is being confused and late, plus getting detention for it. Commonly seen with Carp and some foreigners to C.C.I., she spends her time driving Topo, writing stories, and listening to Jose. The greatest joy for Lonnie will be leaving C.C.I. and Moose Jaw.

**ART INGLEBY** feels that Central is blessed with one teacher who can make a class interesting, Mr. Currie. Art enjoys working and at one time enjoyed driving Edsels. He feels Central could be improved by having more Phys. Ed. periods.

**CHERYL McLAFFERTY** enjoys sports, playing the piano, creating excitement, going to hockey games and taking trips to Grand Forks, North Dakota. Her ambition is to attend university in North Dakota to major in Literature, but probably will end up getting married to a certain hockey player, between periods of a game.

**DONNA SUTCLIFFE** enjoyed all kinds of sports, Mr. Wallace's Chemistry classes, and especially the freedom she got when she came to Central. She thinks a few changes like getting a staff of teachers who really wanted to teach, an S.R.C. run without the principal, and definitely a new lit. course. Donna plans to enter Education.

**PAT WATLING** is such a quiet girl that after four years here we still do not know much about her, except that she would like to join the Police Force or Navy. She will probably end up a law officer in the "Quiet Zone" in front of a hospital.

**BONNIE WICHARUK** is one of Central's more sports minded people. She enjoys, along with sports, the road trips with the teams and elections. Her favorite teacher is Mr. Wallace because she got good marks. She plans to go to Saskatoon and take Phys. Ed. but will probably end up as Mrs. Harris' personal tape girl.

**VERN WILSON** likes hockey — watching or playing it. He enjoys school holidays and Mr. Currie who is his favorite teacher. Vern is not sure what he is going to do, but we wish him the best of luck.

**YVONNE WINN** is known for her smile, good marks, and great personality. Among her pastimes are: fixing a flat tire on Fridays after four, playing hangman, and eating lunches at schools. Next fall, Yvonne intends to take Education at U. of S. but will probably become an instructress at a "learn how to ride a horse" school.

**NANCY MACKAY'S** most memorable experiences were falling downstairs and mistaking a fire alarm, on the top floor, for a light switch and pushing the button! After that the only exciting but safe thing for Nance was Fridays at four. And although she does not know it her probable destination is a secretary at a model agency.

**MARY MALDEN** will never forget volleyball initiation, and is thankful she was not a rookie for Basketball. Her favorite pastimes are sports, music and going to football games. Mary wants to see the world or go to Saskatoon for Phys. Ed. but will probably be sorting dirty socks in the Phys. Ed. room for Mrs. Harris.

**BILL MUIRHEAD'S** favorite teacher was Mr. Currie because he was easy to talk to. Because he likes sports so much he wants to attend university at Waterloo in Ontario and major in Phys. Ed.

**SUSAN NUTTAL** enjoyed mostly being four and a half year man thanks to the semester system and having Brent W. and Bryan A. to sharpen her pencil. She enjoys watching football games and having a good time. She wishes to go to Saskatoon (for obvious reasons) but will likely be first permanent resident of Central a ninety-nine year man.

**CAROL PATTERSON** enjoys riding her horse, going to Saskatoon, sleeping in on weekends, and Randy. She thinks there should be more teachers like Mr. Currie and Mr. Hill and also less homework. Next year Carol plans to attend university and become a nurse.

**LORNA YOUNG** remembers the time Vance locked her in her locker. She enjoys Boys' Basketball games, reading, and sewing. Next year Lorna plans to take nursing in Calgary.

4  
D

**COLIN BATEMAN** enjoyed football and girls during his high school years. He finds Mrs. McIvor very interesting and wishes she taught more subjects. He plans to go to university next year.

**RAY BIRLEY** stirs up the natives at C.C.I. by doing such things as calling teachers by their first names and flashing them the peace symbol. Ray is just a bundle of nerves because he is always "dropping things". He will likely end up "collecting spoons" in Van.

**BRENDA CAMPBELL** enjoys driving around and watching color television. She enjoyed the Lits very much and has fun doing unusual things. Brenda plans to go to Europe next year and when and if she gets back she wants to teach music.

**JUNE COLLINGE** enjoyed biology road trips and being kicked out of Phys. Ed. for fooling around. Her favorite teacher has been Mr. Hill. She plans to take an IBM course next year but will end up programming "little Evans".

**PENNY DONNISON** enjoys elections, the meeting of new friends, and the breaks. Penny plans to return to C.C.I. next year and complete her education. She thinks that sixty years from now the students will be teaching the teachers at Central.

**DONNA DOUGLAS**, Sigma's Girls' House leader, enjoys all interhouse sports, elections, and especially Mr. Nelson's History periods!! She is noted for her loud chuckles through the halls. Donna plans to attend U. of S. and take education but will probably be official pill peddler for Paisley's.

**MARILYN DOUGLAS'** most memorable incidents were Freshie Day in grade twelve, standing in the corner with Brent Closs in Mr. Watson's class and elections. Her favorite pastimes include reading, listening to records and adding to her large wardrobe. Next year she plans to attend university.

**DAVE ELLINGWOOD** liked Mrs. McIvor best of all because she was his most beautiful teacher. He likes girls and doing No! No's! Dave would like to become a good T.V. and Radio announcer. We hope he succeeds.

**BETTY LUFT** thinks "most memorable incident" means a grade nine female walking into the boys' washroom. She believes Central needs younger teachers, shorter classes and longer breaks. She plans to return to C.C.I. next year but will likely become the first girl baseball player on the Montreal Expos.

**GORD McCAW** thinks Mr. Houseman was the best teacher Central had, because of his interesting stories. Gord can hardly wait for the weekends. He plans to go on a vacation next year and then he thinks he would like to become a janitor at Central.

**MARCIA McILRATH** enjoys speed swimming, teaching Sunday School, being Y-leader and working as pool scraper at the Nat. but best of all, dates with Gary. Her favorite teacher is dear Miss Heaps who will find Marcia a life guard in Death Valley.

**JOE MARCH** enjoyed the thought of graduating during his years at Central. He is known for driving his magnificent Mustang and curling. Joe plans to take business administration at STI but will likely end up test driving Ford products.

**GREG MILLER** enjoyed meeting people in high school and the five minute breaks. His future is undecided but he hopes to move to a warmer climate.

**BOB FOSTER** believes Central can be improved by adding an equipped student lounge. Bob plans to take a business course at STI next year but will probably end up as the only educated ditch digger in Moose Jaw.

**LAURA FREEMAN** enjoyed mostly the weekends while at Central. Her favorite pastimes are reading, boys, parties, dances and boys. She plans on doing anything in anywhere but Moose Jaw.

**DOUG FREEMAN'S** favorite teacher is Mrs. McIvor because of her small homework assignments. He feels they should have longer smoke breaks and import more girls. He wants to go to university and then come back to work in Moose Jaw.

**LURIE FYSH**, often referred to as Carp, has a great love for driving the "Barge" to rack and ruin, hearing problems, summer school, meeting people, complaining about her name Lauraine, and understandably, swimming. She hopes to take nurse's training next fall but will probably end up filling B.C.P. prescriptions in a drugstore.

**SHARON GRAY'S** favorite pastimes include boys, parties, weekends, and sewing. She would like to see everyone get a few spares a week for homework and thus have more time on the weekends for "favorite pastimes". Sharon hopes to work in a bank next year but will probably be back at Central to "finish up".

**WENDY MILLS** liked Mrs. Stewart and Mr. Parker because they were both great teachers. She likes to write letters to B.C. and do almost anything outside of school. Wendy plans to come back to C.C.I. next year.

**HEATHER MITCHELL** likes Mr. Noah Nelson for his nice smile and the long questions which he gives to help us pass History. She also enjoys reading, swimming, and dating. This girl has big ambitions to be a medical receptionist and later an airline stewardess.

**VANCE MOKELKY** says he likes Mrs. McIvor as a teacher because if you get tired of listening you can always watch. Besides liking sports of "all" kinds, Vance likes meeting new people. Next year he plans to enter the field of medicine at U. of Edmonton.

**KAREN ROWAN** enjoys hearing Donna D. scream when the frog jumps at her and Mrs. McIvor's parties. Pastimes for this cheery girl include oil painting, sewing and someone special. Plans for next year include the U. of S.

**PHIL SPRATT** remembers meeting Mr. Robinson in the detention room for the first time. He enjoyed the Biology field trip and Mrs. Flatekval for praising his French ability. His pastimes include playing football and hockey.

**CHRIS GRIFFITH** will always remember the time she tripped and fell flat on her face in the main hall! She believes that sixty years from now Central will have fallen to pieces or will have been rebuilt and thriving again. Chris plans to attend education classes in Regina.

**CATHY HELGASON** enjoyed being a master on Freshie Day, grade ten elections, noon hours, and Mr. McIvor's jokes during high school. Her favorite pastimes are reading and going to Saskatoon on weekends. Next year she plans to attend U. of S. but will end up as Mrs.

**MARG KAUFMAN** enjoyed election parties in grade nine and Mr. McIvor's French jokes. She also enjoyed five minute breaks, noon hours and this year's comp classes. Her favorite pastimes are making funny little noises with her fingernails on the desk in History. Marg wishes to attend the U. of S.

**BARB LARSON** enjoys having regular Phys. Ed. classes and throwing girls into the showers afterwards, boating, hiking and reading books. Mr. Thiessen has been her favorite teacher for the math classes. Barb just can not imagine C.C.I. sixty years from now.

**BOB LEWIS** enjoyed the football games and the main hall at the breaks while at Central. Bob's biggest surprise was when he passed French in grade twelve. Bob will probably end up racing jacked-up trucks.

**BONNIE STEPHENSON** is Kappa Girls' House leader and enjoys playing interhouse sports. Her most memorable experience was when she got the winning point in interhouse basketball but in the other team's basket. Bonnie would like to attend the U. of S. but will probably end up being an old-maid school teacher.

**LAUREL STRONACH** will always remember the day our boys won the 3A Southern Provincials — all the cheering, back slapping and picture taking. Her favorite teacher is Mr. Currie for being such a great person and instructor. Next year Laurel plans to take Secretarial Science at STI.

**KAREN ULLELAND** remembers best when she was elected to the S.R.C. and she enjoyed the election campaigning very much. She had a liking for Mr. Wallace and the way he taught Chemistry. Karen would like to be a teacher but will likely end up as a Principal in Lower Slobbovia.

**ANGELA ZIEGLER** enjoys swimming, skiing, and tennis among other things outside of school. She hopes that we had a new Central heating system as the top floor rooms get chilly in the winter. Next year, Angela plans to get into banking but she will likely end up digging in Van.

**PHIL ADKINS** thinks that Mr. Wooff is one of the most interesting teachers at C.C.I. Phil enjoyed being on all the losing teams in inter-house sports, with Dale Clark. Next year Phil plans to go to university.

**BRIAN ALM** "Chopper" will never forget the night he got the winning touchdown against Vanier. He likes Mr. Currie's methods of teaching Lot and Comp. Brian hopes to attend STI or possibly university to become a chemical or mechanical engineer. He thinks C.C.I. will be a pile of bricks sixty years from now.

**OLIN ANTON** is noted for being the boys' sports editor of the Outlook, liking all of the interschool sports and the road trips, getting good marks and hanging around in the halls or in the gym. Olin intends to enter Architecture at U.B.C.

**MARLENE BIGGS**, the "Smiles and Chuckles" of 4E, is famous for: her height, falling down stairs, tripping over Marv's feet, "goofing off" in school, liking Mr. Currie's classes, and her natural "Biggy-Baby" laugh. She also enjoys skating and skiing.

**WAYNE CHUBY** is noted for his big brown eyes and blond hair. "Whitey" enjoys holidays, ski-doo's, French classes and the driving the old Buick around looking for parties where scrabble is being played. Although he thinks he will go to STI next fall, Wayne will eventually become the head of the snowmobile cycle gang of M.J.

**JACK HEILMAN** feels Central could be improved by not compelling students to attend classes. He plans to get a job and save for a further education. He wishes to become a teacher or a game warden.

**WENDY JOHNSON'S** biggest thrill was passing a Chemistry exam without anybody's help. She is noted for keeping "Chopper" in line, her dancing and sewing ability. Often seen with Susan N, she counts the days, hours, and minutes until Friday night.

**GINA KNELSON** is still laughing about the time Nancy M. rang the fire alarm while searching for the light switch. The best thing about Central is Friday at four o'clock according to our yearbook staff typist. In the future we will see Gina teaching nursing at U. of Calgary.

**BARRY LARSON'S** favorite teacher in high school has been Mr. Currie because he makes Lit and Comp interesting. He enjoys his guitar and Freshie days. After high school he plans to attend Wiley College in Texas for an engineering degree.

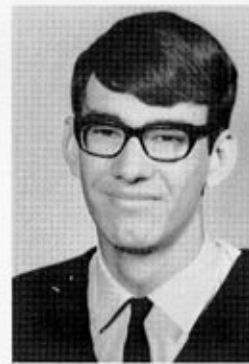

**RICHARD LING** admired Mr. Currie's humor and friendliness. His favorite pastimes include model building and T.V. viewing. Rich is noted for his interest and high marks in History. After high school he plans to go to Calgary.

**ESTHER CLOTHIER'S** pet headaches are Marv M. and Barry L. and French, with her joys being sports, 4-H work, sewing, and meeting people. She thinks the swinging doors in the main hall are destined for a museum. Esther hopes to become a Veterinary Assistant but will probably be a Phys. Ed. instructress at a cattle ranch.

**LESLIE CONNIE** thinks writing the grade eleven Algebra final was the most memorable incident of her stay at Central. She is not very involved in school activities since she has a busy home life after four o'clock. Next year will be used to recuperate from this year.

**JERRY DAVIS** is famous for his curling ability, driving his '396' '57 Chevy, being so quiet in class, achieving high marks, and backing into snowbanks. "Spock" would improve Central by adding chocolate bar machines and making the days shorter. Jerry plans to attend the U. of S. but will probably end up as the ice-maker at the Country Club.

**BARRY FORGE**, "Fudge" enjoys coming to school on Mondays to talk about the weekend drag scene except if he has been caught. Next year he plans to work or maybe go to some school but he will probably end up as a farmhand. Barry thinks Central will be a high-rise apartment building in sixty years.

**CAULETTE FLOWERS'** pet likes are tennis, basketball, skating, swimming, football games, and Mrs. Stewart. She is known for her height, slap-happy humour, and skepticism. Caulette intends to travel to Edmonton or Winnipeg to train for a police woman. But her probable destination is the world's first woman industrialist built up on a chain of A & W's.

**RICK MCCAIG** came to C.C.I. in grade ten. When he got here he was mistakenly assigned to grade eleven. Rick's favorite pastime is doing homework and then sleeping once it is done. By doing his homework steadily he plans to go to Edmonton next year where he can spend his money without having to pay sales tax.

**DON McDONALD** feels that Central could be improved if students could pick their own teachers. He enjoys music and Fridays. After high school he plans on attending the U. of S.

**RANDY MACKEY** will never forget the time Dave Jukes laughed so hard that he fell out of his desk! He admires Mr. Currie for his teaching ability and for being able "to hack Mike Krauss' cracks and laugh". The scenery was what he most enjoyed about C.C.I.

**MARV MOCHORUK** keeps telling us that Mr. Wallace likes his Chemistry tests so well because he has to write two for every chapter. Throwing a cookie at Biggy and getting caught has been Rocky's most memorable experience. Hopefully, Marv will leave Central this spring but will probably return to become a janitor.

**GERRY NICHOLS'** remembrances are falling upstairs and stepping on everyone's feet in the process. Therefore, she thinks Central should have one-way stairways. Gerry's pastimes are varied: hanging out with Elaine, going out every night, missing school, shopping, and meeting the boys from Peacock and R.V.C.I.

**GREGG GOWER**, leader of Moose Jaw's "Pink Panthers" enjoys music and DeMolay. Gregg feels it is impossible to make any improvements to Central. He will probably end up writing music for Andy Williams.

**DAVE GUNDERSON** who hails from Riverview Collegiate likes Mr. Nelson the best because of his keen sense of humour. In the future Dave plans to join the R.C.M.P. but he will probably end up being a millionaire before he is twenty-five.

**ROD HALA** will never forget the time Mr. Mokolky caught somebody cheating out of a notebook. He thought it was funny until he found out it was his notebook. Rod's favorite teacher is Mr. Wallace because he learned a lot from him.

**ROBIN HARRISON** enjoyed Friday four o'clock best at Central. He feels C.C.I. would be greatly improved by forgetting to mark attendance, but then, would there be a C.C.I.? Robin plans to get as far away from here as possible next year.

**DWIGHT HAWKEN'S** favorite teacher was Mrs. Flatekval and her French classes. Dwight likes dragging a little Chevy and will probably end up test driving for hot wheels. He has no definite plans for the future.

**TOM POOLE** will never forget the time he and some friends were fooling around in the Physics lab and they broke a chair. He is still trying to figure out what is behind Mr. Ossachoff's big smile. He hopes to attend university next year but will probably be back at C.C.I. — or worse.

**DARYL RITCHIE** does his best to be a helpful nuisance with his smart jokes, remarks, and actions. Understandably, he enjoys the "sights", interhouse sports, the business of selling cars, and the ap-times in French. Although he is uncertain about his future, Daryl will probably return to Central as a Student Militant Leader.

**GORD SILZER** enjoys reading and writing poetry, smoking, laughing at Krauss' jokes and doing assignments at three o'clock in the morning. Next year he plans to take journalism at Carleton or commerce at the U. of S. He would also like to learn to speak Russian and someday go to Russia and put his Russian to use.

**KEN SIMPKINS'** favorite pastime is riding with the motorcycle club. A close runner up is football which he plans to continue at university. He feels in sixty years Central will be a pile of rubble. Ken's probable destination is quarterback for the Chicago Bears.

**DOROTHY STUART**, Outlook editor, enjoyed being in a phys. ed. class of two girls in grade 11, and being the only girl in a grade 12 French class. Since she attended the Editor's workshop in Saskatoon, Dot wishes we had better facilities for the yearbook and school paper.

# 4 F

**KEITH TROTT** is noted for his high Chemistry marks and for driving a certain little red car around town. A funny thing happened to Keith when he was getting his picture taken for the yearbook — his tie fell off! Next year Keith plans to attend university.

**JANET WILLIAMS** enjoys playing floor hockey with the male cheerleaders, biology field trips, winter carnival and the lits. Janet thinks that in 60 years from now C.C.I. will be twice as old as it is now. We think so too!

**MARY LOU BEATTIE** is an easy-going kid who has a great imagination. She thinks C.C.I. will be run by computers in sixty years' time. Plans for next year seems to be the STI . . . but Mary Lou will likely be the cleaning woman there, part-time.

**DOUG BESPALKO** enjoys driving his '47 Dodge when it runs. He enjoys Algebra and the end of French class. Next year he plans to attend U. of S. Saskatoon but he probably will end up in Davidson with a broken down car. He thinks that Mr. Reesor's office would do more good in the bell tower.

**JEANNETTE IRELAND** is a member of Central's champion cheerleading squad. She enjoys playing the piano, cheerleading, Hi-Y, dances, boys, and "singing with Zimmer", and elections. She thinks a cafeteria would be one of the best things in Central. Next year she plans to go to university.

**DAVE JUKES** played all sports even though he is color blind. He enjoyed high school very much and listening to Terry S.'s impersonations. Dave plans on entering law and then going into a partnership with Lee Anne H. but he will probably end up as a space pilot for Canada's first space ship.

**GARY KERR'S** most memorable incident was doing a gym stunt in girls' leotards for Delta's lit. He enjoyed dances, interhouse sports and gym club in his years at Central. He plans to join the R.C.M.P.

**MIKE KRAUSS'** most memorable incident was his picture being in as a graduate two years in a row. He plans to go to Israel for six months then take a course in journalism. Mike feels in sixty years Central will be sixty years older and Miss Heaps will still be here.

**STEVE LAWRENCE** enjoys music, math, and parties but not necessarily in that order. He feels Central could use a beer machine in the main hall. Steve will probably end up "Rosies", whatever that is.

**WAYNE BORLEY** really enjoys coming to Central . . . the last two classes every afternoon. He says his favorite pastime is his car. Perhaps he will become a millionaire before twenty-five through some quirk of fate. Wayne wants to join the R.C.M.P.

**DAVE CANT** enjoyed most becoming a grade twelve as there was nobody left to look up to. He enjoys finding out the history of student teachers and condemning lockers. He will probably end up a hermit in the Caribbean.

**VICKI CONACHER** says her most memorable incident at Central was the continuous "after-four" sessions with Mr. Watson, learning the mysteries of science. She enjoys meeting new people and learning with them. She has no definite plans for the future.

**DAVE CROSS** admired Mr. Knuttila for his sharp wit. His favorite pastimes are girls and more girls. Dave plans on finishing grade twelve then taking a course in social welfare.

**PATTY ELLIOTT** really enjoyed cheerleading, football games, interhouse sports, and skiing. Patty was our Publicity Director and belongs to the house of Kappa. She thinks Central lacks only one main thing — "escalators". She wishes to attend the U. of S. Regina but she will probably end up a head grease monkey for Elliott Motors.

**DENNIS LINK'S** most memorable incident was being threatened by "Pickle". He enjoyed listening to Mr. Reesor tell him his marks without looking at the report card. Dennis has no definite plans for the future.

**SCOTT MCKINNON** enjoyed Mr. Currie's humor and thought he was a very good teacher. He enjoys the holidays the most since this gives him a chance to play Duck Lake rummy. Scott plans to return to Central next year and the year after . . . too.

**ROD MACDIARMID** feels Central could be improved by getting better sport facilities and include hockey in the interschool system. His favorite pastimes are hunting and horseback riding. Rod likes Mr. Hill the best because he is closer to the students.

**DOUG MINTENKO** enjoyed the girls at Central the most of anything so he took to spying on them during a girls' tournament when occupied the boys' locker room. Doug plans to take dentistry but will probably end up a head of the Mafia in Vancouver.

**LINDA RICHMOND** enjoys water skiing, knitting and driving a Honda. During high school she enjoyed football games and cross country road trips. She will never forget when she had to jump over a ditch of water but she did not quite make it. Linda plans to take nurse's training or work at Banff.

**DAVE GARNER** enjoyed the Lits and wishes they were a little funnier. He enjoys skiing and Biology. David plans to go to STI or university.

**BILL GREEN'S** most memorable incident at Central was discovering that we would have Mr. D. Reesor as our principal. While at C.C.I. Bill enjoyed meeting some interesting people. He plans on attending U. of S.

**ELAINE HAMMER'S** favorite teacher during high school was Miss Dobney because of her "helps" in gymnastics. Her favorite pastimes include going to the Harwood for a drink and "extra-curricular" activities. Next year she plans to take physiotherapy in Alberta or commerce at Saskatoon.

**JOAN HENDERSON** will never forget the time they were chased down the street by the Paddy Wagon during the elections in grade nine. Her favorite teachers were Mr. Hill and Mr. Currie. She enjoys interhouse sports, cheerleading, Hi-Y and football games. She wishes to take Dental Hygiene but will likely take Mrs. Rogers position as Central's secretary.

**LEE ANNE HURLBURT** appreciated Mr. Mokelky for calling her Anne-Lee once since he usually called Lee. She enjoyed going to "different" parties and meeting "different" people. Lee Anne would like to take a law course but we see her as an old maid dreaming of a confused social life in grade twelve.

**JIM STEELE** enjoyed holidays, lits and Phys. Ed. while at C.C.I. His favorite pastimes include skiing, working at Simpson's and dating the woman. He thinks that sixty years from now Central will be a home for "over the hill" partial students. He plans to enter the R.C.M.P. and will probably be the entire police force in a one-horse town.

**SCOTT TURNBULL** enjoyed his detention very much. Scott thinks Central needs a student lounge but doubts if they will get one. He plans to go to STI next year.

**PAM WALLIN** enjoyed lits and boys during her three years at Central after moving from Regina. Pam's most memorable incident was representing Central as a Hi-Y delegate at a convention in Toronto. She plans to attend university as a special education teacher.
